) Case No. C 04 0854 SC

) **STIPULATION AND ~~PROPOSED~~**  
 ) **ORDER EXTENDING DEADLINE FOR**  
 ) **LAST HEARING DATE FOR MOTIONS**  
 ) **TO BE NOTICED**

) Date: January 19, 2007

) Time: 10 a.m.

) Court room: Courtroom 1, 17th Floor

) Judge Samuel Conti

Subject to the Court's approval, the Parties stipulate that the last hearing date for motion to be noticed in accordance with Civil Local Rule 7-2 should be extended by one week to February 2, 2007, at 10:00 a.m.

The Parties are in negotiations to settle this lawsuit, and those negotiations are in an advanced stage. The Parties wish to minimize expenses to the Parties and wish to conserve the Court's resources by delaying the filing of dispositive motions for an additional week to give the

parties additional time to settle. The Status Conference Order Setting Times for Compliance with Certain Rules of Court sets the deadline for noticing motions in accordance with Civil Local Rule 7-2 as January 26, 2007. To comply with Local Rule 7-2, Parties would have to file dispositive motions by December 22, 2006. By extending the deadline for noticing motions to February 2, 2007, the Court will be extending the deadline for filing dispositive motions until December 29, 2006, which in turn would give the parties additional time to settle this matter.

This is the only time modification in this case.

The Parties do not believe that extending the deadline for noticing motions would affect any other deadlines in this case, and would not affect the schedule for the case in any other way.

WHEREFORE the Parties respectfully requests that the Court approve this stipulation, and adopt February 2, 2007, as the last date for noticing motions in accordance with Civil Local Rule 7-2.

DATED this 15th day of December, 2006.
